of the European Union

## Project Regional Priority and Chief Goal

**BEEHIVE** addresses the regional priority for strengthening of relations between higher education and the wider economic and social environment through university-enterprise cooperation, entrepreneurship and employability of graduates.

**BEEHIVE** aims to:

- build sustainable university-based entrepreneurial ecosystems at the Partner Countries' HEIs involved and to enhance their students' and graduates' employability and ability to create jobs
- support Partner Countries HEIs' transformation into entrepreneurial universities.

Co-funded by the  
Erasmus+ Programme  
of the European Union
