# BEEHIVE MOOC

- 
- *The BEEHIVE MOOC has given my team many new insights about what should we plan and achieve to create a better path and growth for our startup. There are so many inspirational videos as well that correlated with the materials that were given to us and I really recommend this to others who like to understand more about entrepreneurship.*

# UI-BEEHIVE ACCELERATOR PROGRAMME

- 
- *The pitching workshop and demo day were exceptional. It was well designed and executed. The workshop were capable to enhance our knowledge and skills about pitching and we had a great time, at the demo day, to meet with other tenants and be able to hear more about many new perspective and dreams. I have known many people from the event and can't wait to attend another great events.*
