SAKUBI TAX

Sakubi Tax will be part of the creation of Good Corporate Governance (GCG) in Local Government, through an online regional tax system that integrates all transactions in local restaurant entrepreneurs with the local government. So that SakubiTax is contributing to an increase in local original income

SAKUBI POS (POINT OF SALES)

Application Point of Sales that functions as cash register in the form of a mobile application for makes it easy to record transactions from customers and will be integrated directly with Sakubi Dashboard in the regional government. Equipped with financial reports that make it easy for businesses to see the performance of their businesses.

SAKUBI DASHBOARD

Regional revenue information system used by local government to receive transaction data from Sakubi POS to monitor the Regional Original Income (PAD)

THERE ARE 512 LOCAL GOVERNMENT IN INDONESIA
